# Dental Prevention Package

***Early dental care. One simple fixed price.***

***Eligible dogs can receive a Dental Scale & Polish for $650.***

## Fixed price: $650

A Dental Scale & Polish for eligible dogs with **early, Grade 1 dental disease.**

## Prevention Focused

Address plaque, tartar and mild gingivitis before dental disease progresses.

## Grade 1 dental disease

This promotion is designed to help more dogs receive dental care while their disease is still at an early stage.

## Think your dog is eligible?

Chat with our team or ask your vet about your dog's dental health at their next visit.

## Important Information:

- ***Eligibility criteria apply****
- Package eligibility is determined at the discretion of the attending veterinarian following assessment of your pet.
- Your vet can provide an estimate for any additional costs.
